LEADERSHIP, RESCRIPTED

Leading & Living With Effective Intention

Good leaders ask themselves one question, in different forms, and accept one very simple truth.

Great leaders empower others to do the same.

Once that happens, anything is possible.

REAL. SIMPLE. TAKE ANOTHER LOOK.

A SPEAKER WITH A FRESH PERSPECTIVE

"It blew me out of the water. It was what I was expecting and then some and more after that. It was really, really impressive. This is how we wanted to end the conference, leaving people feeling good, feeling empowered.'

- Stephanie McGill, Executive Director, **Brain Injury Association of London & Region**

"Kevin's special appearance with our clients was completely emotionally empowering! The level of engagement and discussion after the session could have lasted for hours but lasting impact is still be discussed today. I cannot wait to work with Kevin again and hopefully have him join us for another session real soon!"

- Paul Campbell, WIL Employment Services

"It was wonderfully successful. People were really thrilled with some of the ideas they were getting to help move their organization forward. Kevin has a really calm but engaging way of communicating with people."

- Myles Vanni, Executive Director, Inn of the Good Shepherd **I OAFB Annual Conference**

"It was great! There were a lot of really good comments on the evaluation. People really liked it. Kevin got to people today. I would recommend Kevin highly."

- Mary Lynne Stewart, March of Dimes Canada

"I was in the audience when Kevin spoke about his 'No Schedule' concept. It was a fresh idea, combined with a natural, easy-to-listen-to speaking style, that really made people — myself included — pause and think. That's a rarity these days in the speaking world."

- Michel Neray, Founder of MoMondays
