2019 Presenting Partnership

WHAT IS IT? Hosted and produced by Kevin Bulmer, momondays London is an all-new version of a monthly event series mixed with ongoing social conversation designed to connect, encourage, inspire and empower Londoners.

Each event features 6 speakers (5 + Kevin); a mix of business people, community influencers, media personalities, thought leaders and everyday people with an empowering story to share. Each shares a 10-min talk with an interactive group Q&A panel at the end.

Think TedX meets the Tonight Show in a comfortable environment the encourages connection.

HOW MUCH? \$250 a month for 12 months. Total investment of \$3,000 for the entire 2019 Season.

WHAT'S IN IT FOR ME?

- ~ It will grow your business and brand in a unique, important way.
- ~ It will set you apart as a leader in the market in areas of connection, encouragement, inspiration and empowerment and align you with people who share those same values.
- ~ It will create new positive relationships & emotional connection.
- ~ You will have Kevin to create and show you the power of unique storytelling and online content activation (marketing that works for you without you even being there).
- ~ It's an opportunity for you to fuel growth and positive development of other individuals and businesses, and to be a model of greater authenticity, empathy & inclusion
